*Rolled Tea: Rolled Moringa leaves are produced when withered tea leaves are rolled and allowed to oxidize. This process darkens the leaf and develops the body, color and flavor of the tea.

Shining Seas Ingredients (formerly Shining Seas Imports) is a direct importer and supplier of bulk botanical ingredients to the Nutraceutical, Tea, Food and Beverage, and Natural Cosmetic industries in North America. Our range of ingredients are sourced direct, through exclusive partnerships with manufacturers at origin. These partnerships allow SSI to offer the highest quality ingredients, 100% traceability and transparency, 3rd party testing, competitive pricing and product available on demand.

All ingredients pass strict quality assurance protocols to ensure the highest quality, including testing for heavy metals, botanical identity, microbiological, pesticides and chemicals. Stocked products are available for shipment from our warehouse in Long Beach, CA within 1-2 business days from order confirmation.
